I've just wrapped my first lead feature film starring the amazing Imogen Poots. I also got to lead alongside one of my favourite Irish actors in Tom Vaughan-Lawlor and also a wonderful cast. The film is called Baltimore and is directed by Joe Lawlor and Christine Molloy. It's a true story based on Rose Dugdale - a wealthy heiress from rural Devon who finds herself hiding in a remote cottage in Ireland, following an audacious and violent art heist.
